Mission

The Clark County Lutheran School Association is dedicated to enabling children to achieve their full intellectual, physical, and spiritual potential, and devoted to reaching out to the community with the love of Jesus Christ. It first achieved this mission by the opening of Faith Lutheran School in the fall of 2004.

A Future of K - 5th Grade Education

Faith Lutheran School is a perfect continuation of the area Christian preschools in providing a quality Christian education program. It is our intent to add an additional grade per year.

Christ-Centered Excellence in Education

The curriculum at Faith Lutheran School includes Open Court Reading/Language Arts; Saxon Math; Concordia Publishing House Christian instruction; hands on science, math, and health; wonderful exposure to the Arts; and small class sizes for better individualized instruction. We encourage each child to use the gifts that God has given them to be the best that they can be!
